## 2. Soundness

Please see the guidance notes for an explanation of what 'soundness' means.

### Do you consider the Local Plan Review is sound?

The soundness of the LPR should be assessed against the following criteria from the National Planning Policy Framework (NPPF)

Please tick all that apply:

NPPF criteria	Yes	No
<b>Positively Prepared:</b> The plan provides a strategy which, as a minimum, seeks to meet the area's objectively assessed need and is informed by agreements with other authorities, so that unmet need from neighbouring areas is accommodated where practical to do so and is consistent with achieving sustainable development		no
<b>Justified:</b> the plan is an appropriate strategy, taking into account the reasonable alternatives, and based on proportionate evidence		no
<b>Effective:</b> the plan is deliverable over the plan period and based on effective joint working on cross-boundary strategic matters that have been dealt with rather than deferred, as evidenced by the statement of common ground		no
<b>Consistent with national policy:</b> the plan should enable the delivery of sustainable development in accordance with the policies of the NPPF		no

Please give reasons for your answer:

*The reason I have put no is because large sites which we know will be developed are not included in the plan. Eg London Road Industrial Estate, Gateway plaza, Kennet centre/Eagle quarter.*

## 3. Complies with the Duty to Co-operate

Please see the guidance note for an explanation of what 'Duty to Cooperate' means.

### Do you consider the Local Plan Review complies with the Duty to Co-operate?

Yes  Yes  No

Please give reasons for your answer:

#### 4. Proposed Changes

**Please set out what change(s) you consider necessary to make the Local Plan Review legally compliant or sound, having regard to the tests you have identified above (Please note that non-compliance with the duty to co-operate is incapable of modification at examination).**

*You will need to say why this change will make the LPR legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.*

*To make this plan sound it needs to include these large sites, like the London Road Industrial Estate, Gateway plaza, Kennet centre/Eagle quarter.*

#### 5. Independent Examination

**If your representation is seeking a change, do you consider it necessary to participate at the examination hearing session(s)?**

Yes

Yes

No

*If you wish to participate at the oral part of the examination, please outline why you consider this to be necessary:*

*Because the London Road industrial Estate has been at a standstill for many years now, and it needs a development plan policy to guide its regeneration to take it forward with a master plan.*

*Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.*

#### 6. Notification of Progress of the Local Plan Review

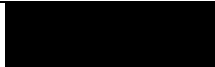

**Do you wish to be notified of any of the following?**

*Please tick all that apply:*

The submission of the Local Plan Review for Independent Examination	<i>Tick</i>
The publication of the report of the Inspector appointed to carry out the examination	<i>Tick</i>
